John:

Re your comment concerning the need for receptionists in certain of our buildings, Mr. Lloyd thought it would be a good idea if you would explore this situation. He raised the question as to whether or not this had been reviewed in the past. I presume this could be ascertained by someone in your Staff checking with the Office of Security. It might be that you would want to do this and then discuss the matter further with Gates or Colonel White before initiating any formal study.
